Grievances of Fishermen

1245. SHRI V.V. RAGHAVAN: Will the Minister of AGRICULTURE be pleased *to* state:

(a) whether it is a fact that *fishermen* all over the country are up in arms against *Government's* plan *to* import fish; and

(b) if so, the details and Government's reaction thereto?

THE MINISTER OF STATE IN THE MINISTRY OF AGRICULTURE (DR. DEBENDRA PRADHAN): (a) Fishermen under the banner of National Fish Workers forum had submitted a memorandum which *inter-alia* included stoppage *of* Import of Fish as one of their demands.

(b) The fear that the import of fish will adversely effect the local fishing industry is misplaced. The total import duty on fish, Crustaceans etc has been raised from 21.16% to 44.04% w.e.f. 1.4.2000 and this in itself acts as a deterrent on large scale imports. Currently, the import of fish is limited, and is generally meant for processing for re-export. The processing infrastructure available in the country is utilized to the extent of about 20 per cent only, an< hence the current import of fish encourages employment generation, and higher export earnings.
